**Instructions to Authors**

The Journal of Andrology publishes original papers and reviews on clinical and laboratory research pertinent to the structure and function of the male reproduction system and male gametes. Membership in the Society is not required for submission of a manuscript. Consult the January/February issue of the Journal for complete information on style, format, page charges, and requirements for submission.

**Announcements**

The Journal will publish, free of charge, announcements of meetings, postgraduate courses, symposia, and other events of interest to andrologists. Announcements should be submitted to the editor.
