**Information for Authors**

The Journal of Andrology, the official journal of the American Society of Andrology, publishes original papers and reviews on clinical and laboratory research pertinent to the structure and function of the male reproductive system and gametes. Membership in the Society is not required for submission of a manuscript. Consult the January/February and July/August issues for complete information on style, format, page charges, and requirements for submission. Note information regarding processing fees.

**Announcements**

The Journal will publish, free of charge, announcements of meetings, postgraduate courses, symposia, and other events of interest to andrologists. Announcements should be submitted to the editorial office.
