Your patients rely on you...

To provide the most accurate diagnosis and effective treatment, you need the most current, comprehensive information available. This journal will help you deal with the panic...anxiety...and often misinformation of the patients coming to you concerning sexually transmitted disease.

Identify those at risk

Diagnose infected patients

Provide facts and advice for those who feel threatened

Treat your patients with the most effective therapies

Your source is *Sexually Transmitted Diseases*

Published bi-monthly, *Sexually Transmitted Diseases* brings you the most up-to-date information on sexually transmitted diseases and related topics. Original articles keep you abreast of the latest advances in diagnosis and treatment, patient education, public health issues, etiology and pathology. Newly identified syndromes and disease entities are covered in each issue, along with notes from the CDC and NIH, case reports, and AVDA News.

Subscribe to the resource you can rely on for the latest, most authoritative information on STDs!

No-Risk Guarantee!

If you're not completely satisfied, you may cancel your subscription at any time and receive a refund for all unmailed issues.
