

Journal of Andrology

Copyright Transfer and Financial Subsidy Disclosure Form

Manuscript Title:

Authors (in order of appearance on Title Page):

Copyright Assignment. The undersigned authors assign copyright ownership of the above submitted manuscript to The American Society of Andrology (ASA). (The Copyright Act does not protect Material prepared by employees of the U.S. Government.) The author(s) warrant that this work has not been previously copyrighted and that they have the right to transfer copyright. ASA will accept author(s) signature on the NIH Publishing Agreement & Manuscript Cover Sheet.*

Authorship Responsibility. Author(s) certify participation in the analysis of the data and the writing and approval of the original and revised manuscript. Author(s) certify that this manuscript contains original work that has not been submitted for consideration of publication nor published elsewhere in whole or in part except in abstract form and contains no matter libelous or otherwise unlawful. Author(s) affirm that the manuscript will not be submitted for publication elsewhere while it is under consideration by the *Journal of Andrology*. The authors acknowledge that they are responsible for page and color print charges as listed on the Instructions to Authors. Also, if applicable, Authors are responsible for the deposit of the final version of the manuscript to repository required by the funding agency..

Financial Support. Author(s) will provide an appropriate footnote to be included on the title page of the manuscript if support from a grant, pharmaceutical and/or instrument company has been received. Has support been provided for this study?
_____ Yes _____ No

Color Figures: The author(s) agree to charges associated with online and print publication of color figures. Figures submitted in color will be published online and in print in color unless indicated otherwise by author(s) here and in the cover letter.

___ Color figures online, black and white figures in print (\$75 per figure)
___ Color figures online, Color figures in print (\$350 per figure)

Financial Disclosure. Author(s) will disclose his/their affiliation with any organization with a direct financial interest in the material contained in the manuscript (e.g., employment, consultancies, stock ownership, honoraria) in an attachment and in the cover letter online.

Each author must sign this statement in the order in which each is listed above and on the Title Page. All authors do not have to sign on the same form, but all authors must sign in order (e.g., third author's name and signature appears on the third line below). If an author is a current member of ASA, please check box to the left of name.

Asterisk next to author name(s) above indicates Federal employee(s) exempt from copyright assignment. A signed NIH Publishing Agreement & Manuscript Cover Sheet is attached for each author indicated () above and includes the complete title and author list on each. Author(s) understand that by signing the NIH Publishing Agreement & Manuscript Cover Sheet, they agree to all other authorship responsibilities detailed above.

The American Society of Andrology will not render a decision on any manuscript until the Editorial Office receives this form, signed by each author. Author(s) may make photocopies of the above-titled work despite any transfer of rights under this document. If the above manuscript is not accepted for publication, this copyright transfer has no legal effect and will be returned upon request.
