

Journal of Andrology
Copyright Transfer and Financial Relationships Disclosure Form

Manuscript Title:

Manuscript ID #:

Authors (in order of appearance on Title Page):

Copyright Assignment. The undersigned authors assign copyright ownership of the above submitted manuscript to The American Society of Andrology (ASA). The author(s) warrant that this work has not been previously copyrighted and that they have the right to transfer copyright. Note: The Copyright Act does not protect Material prepared by employees of the U.S. Government. ASA will accept signature of author(s) who are NIH employees on the NIH Publishing Agreement & Manuscript Cover Sheet.*

Authorship Responsibility. Author(s) certify participation in the analysis of the data and the writing and approval of the original and revised manuscript. Author(s) certify that this manuscript contains original work that has not been submitted for consideration of publication nor published elsewhere in whole or in part except in abstract form and contains no matter libelous or otherwise unlawful. Author(s) affirm that the manuscript will not be submitted for publication elsewhere while it is under consideration by the *Journal of Andrology*. The authors are responsible for page charges and color print charges as listed on the Instructions to Authors. Also, if applicable, authors are responsible for the deposit of the final version of the manuscript to a repository as required by the funding agency.

Page and Color Figure Charges: The author(s) agree that they are responsible for payment of charges associated with online and print publication of the manuscript and color figures. Current page charges are \$70/page for members of ASA and \$90/printed page for nonmembers. Color figures are \$250 for the first color figure and \$150 for each subsequent color figure (online and in print) or \$75/figure for publishing the figure in color online only. Figures submitted in color will be published in color both online and in print unless indicated otherwise by author(s) here and in the cover letter.

- Color figures online; black and white figures in print (\$75 per figure)
- Color figures online; color figures in print (\$250 for first color figure; \$150 for each subsequent color figure)

Financial Support and Disclosure. Each author will disclose his/her affiliation with any organization with a direct financial interest in the material contained in the manuscript (e.g., employment, consultancies, stock ownership, honoraria). Each author will indicate "Yes" below or next to his/her name and complete the Financial Relationships Disclosure Form (page 2). Author(s) will indicate in the online cover letter and provide an appropriate footnote to be included on the title page of the manuscript if support from a grant or from a commercial entity (e.g., pharmaceutical or instrument company) has been received.

Each author must sign this statement in the order in which each author is listed above and on the Title Page and list his/her Financial Disclosures. All authors do not have to sign on the same form, but all authors must sign in order (e.g., third author's name and signature appears on the third line below). If an author is a current member of ASA, please check the box to the left of name.

*Asterisk next to author name(s) below indicates Federal employee(s) exempt from copyright assignment. A signed "NIH Publishing Agreement & Manuscript Cover Sheet" should be attached for each author indicated, with the complete title and author list included on each. Author(s) understand that by signing the NIH Publishing Agreement & Manuscript Cover Sheet, each agrees to all other authorship responsibilities detailed above.

FINANCIAL DISCLOSURE: I or my spouse/partner currently (*within the past 12 months*) has a relevant financial relationship with a commercial interest. (Indicate Yes or No for each author below; if "Yes" indicated, attach "Financial Relationships Disclosure Form.")

Name (print) _____	Financial relationships to disclose? No _____ Yes _____

If more author lines are necessary, please use a second copyright transfer form and continue to list remaining authors in order.

The American Society of Andrology will not render a decision on any manuscript until the Editorial Office receives this form, signed by each author. Author(s) may make photocopies of the above-titled work despite any transfer of rights under this document. If the above manuscript is not accepted for publication, this copyright transfer has no legal effect and will be returned upon request.
