

Journal of Andrology
Copyright Transfer and
Financial Subsidy Disclosure Form

Manuscript Title:

Authors:

Copyright Assignment. The undersigned authors assign copyright ownership of the above submitted manuscript to The American Society of Andrology (ASA). (The Copyright Act does not protect Material prepared by employees of the U.S. Government.) The author(s) warrant that this work has not been previously copyrighted and that they have the right to transfer copyright.

Authorship Responsibility. Author(s) certify participation in the analysis of the data and the writing and approval of the original and revised manuscript. Author(s) certify that this manuscript contains original work that has not been submitted for consideration of publication nor published elsewhere in whole or in part except in abstract form and contains no matter libelous or otherwise unlawful. Author(s) affirm that the manuscript will not be submitted for publication elsewhere while it is under consideration by the *Journal of Andrology*. The authors acknowledge that they are responsible for page and color print charges as listed on the Instructions to Authors.

Financial Support. Author(s) will provide an appropriate footnote to be included on the title page of the manuscript if support from a grant, pharmaceutical and/or instrument company has been received. Has support been provided for this study? _____ Yes _____ No

Financial Disclosure. Author(s) will disclose his/their affiliation with any organization with a direct financial interest in the material contained in the manuscript (e.g., employment, consultancies, stock ownership, honoraria) in an attachment.

Each author must sign this statement in the order in which each is listed in the authorship. Various authors may submit copies of this document independently if they are located at different institutions. If an author is a current member of ASA, please check box to the left of name.

Federal employee(s) exempt from copyright assignment. A signature confirming authorship responsibility is still required for each author.

The American Society of Andrology will not process any manuscript until the Editorial Office receives this form, signed by each author. Author(s) may make photocopies of the above-titled work despite any transfer of rights under this document. Various authors may submit copies of this document independently if they are currently located at different institutions. If the above manuscript is not accepted for publication, this copyright transfer has no legal effect and will be returned upon request.
